Student Feedback mechanism on institutional Governance / Faculty Performance:

Institutional governance and Faculty performance is obtained once in a semester. Feedback from the students will be reviewed and corrective measures are taken as per the feedback by Feedback Software.

Grievance redressal mechanism for faculty, staff and students:

Grievance redressal Cell was formulated to resolve the Grievances raised by the staff and students. In addition to that, suggestion box is provided at the principal's chamber to identify the grievances if any by the staff and students separately. Grievances of the faculty and staff will be discussed in person and the staff and students are made comfortable for their employment and course work respectively. We even provided online Grievances mechanism by redirecting to AICTE feedback portal.
