

BRINDAVAN
INSTITUTE OF TECHNOLOGY & SCIENCE(BITS-KNL)
KURNOOL – 518 218

REF No : BITS/IIC/ 7/25-26

Date : 17-06-2025

CIRCULAR-7

In order to strengthen the **Institute- Industry collaboration and promote effective interaction between academia and industry**, Brindavan Institute of Technology & Science (BITS), Kurnool has **successfully drafted and constituted the Institute Industry Cell (IIC) Committee for the Academic Year 2025–2026.**

The **Institute Industry Cell (IIC)** plays a vital role in bridging the gap between **academic knowledge and industrial requirements** by facilitating continuous interaction with industries, organizations, and professional experts. The cell aims to enhance the **technical competence, employability skills, and practical exposure of students** through various academic and industry-oriented activities.

Roles and Responsibilities of IIC

The Industry Institute Interaction Cell will undertake the following responsibilities:

- Industrial visits for students and faculty
- Internship opportunities in reputed industries and organizations
- Guest lectures and expert talks by industry professionals
- Workshops, seminars and skill development programs on emerging technologies
- Collaboration with industries through **Memorandums of Understanding (MoUs)**
- Industrial training programs and project collaborations
- Career guidance and professional development programs for students .Promoting research collaboration, consultancy and innovation activities with industries.
- Supporting skill development and career-oriented training programs for students.
- Assisting in identifying industry problems for student projects and research activities.
- Enhancing placement opportunities and industry networking

The following members have been **nominated and approved to serve in the Institute Industry Cell (IIC) Committee.**
