CIRCULAR-8

All the members of the **Institute Industry Cell (IIC)** are hereby informed that the **First Meeting of the IIC Committee for the Academic Year 2025–2026** will be conducted on **24-06-2025 at 3:30 PM in the Seminar Hall**

The meeting is being organized to **discuss and plan various activities aimed at strengthening Industry–Institute interaction, enhancing industry exposure for students, and promoting collaboration with industries and organizations** for academic and professional development.

All the committee members are requested to attend the meeting without fail and actively participate in the discussions

Agenda of the Meeting

1. Planning and scheduling **industrial visits** for students of various departments to gain practical exposure to industrial operations.
2. Discussing **internship opportunities** for II, III, and IV B.Tech students in reputed industries and organizations.
3. Organizing **guest lectures and expert talks** by industry professionals to provide insights on emerging technologies and industry expectations.
4. Strengthening **industry collaboration through partnerships and Memorandums of Understanding (MoUs)**.
5. Planning **workshops, seminars, and skill development programs** to enhance students' technical and professional competencies.
6. Exploring opportunities for **industry-supported projects, training programs, and research collaborations**.

Minutes of Meetings

The first meeting of the Intitute Industry Cell (IIC) for the Academic Year 2025–2026 was conducted on 24th June 2025 at 3:30 PM in the Seminar Hall under the chairmanship of the Principal, Dr. S. Ramesh Reddy.

The meeting was convened to discuss various initiatives aimed at strengthening **Industry–Institute interaction and collaboration**, thereby enhancing the practical exposure, technical knowledge, and employability skills of the students.

The IIC Convener, **Mr. S. Abdul Yunus Basha, Training & Placement Officer**, welcomed all the members and briefed them about the importance and objectives of the IIC in promoting effective collaboration between the institute and industries.

The committee members actively participated in the discussion and deliberated on the agenda items.

Discussion and Resolutions

1. Industrial Visits

The committee discussed the importance of **industrial visits in providing real-time exposure to industrial processes and working environments**. It was resolved that each department should **plan and organize industrial visits for III and IV B.Tech students** during the academic year to reputed industries relevant to their respective disciplines.

2. Internship Opportunities

The committee emphasized the need to encourage students to undertake **summer internships and industrial training programs** in reputed companies. Departments were advised to coordinate with industries and guide students to register for **internship opportunities that enhance their practical knowledge and professional skills**.

3. Guest Lectures by Industry Experts

The committee decided to invite **industry professionals, technical experts, and entrepreneurs** to deliver **guest lectures and expert talks** for students. These sessions will help students gain insights into **latest industry trends, emerging technologies, and career opportunities**.

4. Industry Collaboration

The committee suggested that each department should identify **potential industries and organizations for collaboration**. Efforts should be made to establish **Memorandums of Understanding (MoUs)** with industries to facilitate **internships, training programs, research collaborations, and industry-supported projects**.

The meeting concluded with a **vote of thanks by the IIC Convener**, expressing gratitude to the Principal and committee members for their valuable suggestions and active participation.

ACTION TAKEN REPORT (ATR)

Reference: Minutes of the First IIC Meeting held on 24-06-2025

The following actions were taken based on the decisions made during the **First Institute Industry Cell (IIC) Meeting** held on **24 June 2025** under the chairmanship of the **Principal, Dr. S. Ramesh Reddy**.

S.No	Decision Taken in IIC Meeting	Action Taken
1	Organize industrial visits for III & IV B.Tech students	Departments identified suitable industries and scheduled industrial visits for students to provide exposure to real-time industrial environments.
2	Encourage students to apply for internships in industries	Students were informed about internship opportunities and encouraged to apply for summer internships in reputed companies and organizations.
3	Invite industry experts for guest lectures	Departments initiated contact with industry professionals to organize guest lectures and expert talks on emerging technologies and industry practices.
4	Identify industries for collaboration	Departments were instructed to identify potential industries for collaboration and initiate discussions for MoUs and industry-supported training programs.
5	Promote industry-institute interaction activities	Various departments planned activities such as workshops, seminars, and expert interactions to strengthen industry-academia collaboration.

The above actions were implemented to strengthen **Industry-Institute Interaction** and enhance students' exposure to industrial practices, professional skills, and career opportunities.

The **IIC** committee will continue to monitor and review the progress of these activities in the upcoming meetings.
