REF No: BITS/ IIC/ 11/25-26

Date : 19-08-2025

CIRCULAR-11

All the members of the Institute Industry Cell (IIC) are hereby informed that the **Second Meeting of the IIC Committee for the Academic Year 2025–2026** will be conducted on **20-08-2025 at 3:30 PM in the Conference Hall**.

The meeting is being organized to **review the progress of IIC activities conducted after the first meeting and to discuss further initiatives aimed at strengthening Industry–Institute collaboration**. The committee will also deliberate on various programs that enhance students' technical skills, industry exposure, and professional development. All committee members are requested to **attend the meeting without fail and actively participate in the discussions and decision-making process**.

Agenda of the Meeting

1. MoU Collaborations with Industries

Discussion on identifying potential industries and organizations for signing **Memorandums of Understanding (MoUs)** to facilitate internships, industrial training, skill development programs, and collaborative activities.

2. Workshops on Emerging Technologies

Planning to organize **technical workshops, seminars, and training programs** on emerging technologies such as Artificial Intelligence, Data Science, Cyber Security, IoT, and Cloud Computing.

3. Internship Progress Review

Review of the **internship opportunities availed by students** and discussion on strategies to increase student participation in industry internships and training programs.

4. Industrial Training Programs

Planning for **industrial training programs and certification courses** in collaboration with industry partners to enhance students' practical knowledge and employability skills.

All members are requested to **attend the meeting on time and provide their valuable suggestions for the effective functioning of the Industry Institute Interaction Cell**.

Minutes of Meetings

The second meeting of the Institute Industry Cell (IIC) for the Academic Year 2025–2026 was conducted on 20th August 2025 at 3:30 PM in the Conference Hall under the chairmanship of the Principal, Dr. S. Ramesh Reddy.

The meeting was convened to review the activities conducted by the IIC during the academic year and to discuss further measures to enhance industry–institute collaboration and student skill development.

The IIC Convener, Mr. S. Abdul Yunus Basha, Training & Placement Officer, welcomed the members and presented a brief overview of the IIC activities carried out by various departments, including industrial visits, guest lectures, internships, and training programs.

The committee members discussed the agenda items and the following points were deliberated.

Discussion and Resolutions

1. Review of Industrial Visits

The committee reviewed the industrial visits organized by various departments during the academic year.

Members appreciated the efforts taken by the departments in providing practical exposure to students regarding industrial processes and working environments.

It was suggested that departments should continue to organize industrial visits regularly and explore opportunities to visit reputed industries relevant to their respective fields.

2. Guest Lectures by Industry Experts

The committee reviewed the guest lectures and expert talks conducted by industry professionals during the academic year.

Members appreciated these initiatives as they helped students gain insights into current industry trends, technological advancements, and professional expectations.

Departments were encouraged to continue organizing such expert sessions to strengthen industry–academia interaction.

3. Skill Development Programs

The committee discussed the need to organize skill development and training programs for final year students.

It was decided to conduct technical training programs, certification courses, and career-oriented workshops to enhance students' technical skills, communication skills, and employability.

4. Strengthening Industry Connections for Placements

The committee emphasized the importance of strengthening connections with industries and corporate organizations to improve placement opportunities for students.

Departments were encouraged to maintain regular interaction with industry professionals, alumni, and corporate organizations to facilitate training, internships, and campus recruitment opportunities.

The meeting concluded with a vote of thanks by the IIC Convener, thanking the Principal and committee members for their valuable suggestions and active participation
