ACTION TAKEN REPORT (ATR)

Reference: Minutes of the Second IIC Meeting held on 15-09-2025

The following actions were taken based on the decisions made during the **Second Institute Industry Cell (IIC) Meeting** conducted on **15th September 2025** under the chairmanship of **Dr. S. Ramesh Reddy, Principal**.

S.No	Decision Taken in IIC Meeting	Action Taken
1	Signing MoUs with industries for internships and training programs	The institute initiated discussions with various industries and organizations to establish collaborations through MoUs for facilitating internships, industrial training, and skill development programs.
2	Conduct technical workshops on emerging technologies such as AI, Data Science, and Cyber Security	Departments planned and organized technical workshops and seminars on emerging technologies to enhance students' knowledge and practical skills.
3	Review internship participation of students	Internship participation of students from different departments was reviewed and students were encouraged to actively apply for internship opportunities in reputed companies.
4	Organize industrial training programs	Departments initiated planning for industrial training programs in collaboration with industry partners and training organizations to provide practical exposure to students.

The above actions were implemented to **strengthen Industry–Institute interaction and enhance students' exposure to industrial practices, technical skills, and career opportunities.**

The **IIC committee will continue to monitor the progress of these initiatives and review them in subsequent meetings** to ensure effective implementation.

Minutes of Meetings

The **third meeting of the Institute Industry Cell (IIC)** for the Academic Year **2025–2026** was conducted on **08th January 2026** at **3:30 PM** in the **Conference Hall** under the **chairmanship of the Principal, Dr. S. Ramesh Reddy**.

The meeting was convened to **review the activities conducted by the IIC during the academic year and to discuss further measures to enhance industry–institute collaboration and student skill development**.

The **IIC Convener, Mr. S. Abdul Yunus Basha, Training & Placement Officer**, welcomed the members and presented a brief overview of the **IIC activities carried out by various departments**, including industrial visits, guest lectures, internships, and training programs.

The committee members discussed the agenda items and the following points were deliberated.

Discussion and Resolutions

1. Review of Industrial Visits

The committee reviewed the **industrial visits organized by various departments** during the academic year.

Members appreciated the efforts taken by the departments in providing **practical exposure to students regarding industrial processes and working environments**.

It was suggested that departments should continue to **organize industrial visits regularly and explore opportunities to visit reputed industries relevant to their respective fields**.

2. Guest Lectures by Industry Experts

The committee reviewed the **guest lectures and expert talks conducted by industry professionals** during the academic year.

Members appreciated these initiatives as they helped students gain **insights into current industry trends, technological advancements, and professional expectations**.

Departments were encouraged to **continue organizing such expert sessions to strengthen industry–academia interaction**.

3. Skill Development Programs

The committee discussed the need to **organize skill development and training programs for final year students**.

It was decided to conduct **technical training programs, certification courses, and career-oriented workshops** to enhance students' **technical skills, communication skills, and employability**.

4. Strengthening Industry Connections for Placements

The committee emphasized the importance of **strengthening connections with industries and corporate organizations** to improve **placement opportunities for students**.

Departments were encouraged to maintain regular interaction with **industry professionals, alumni, and corporate organizations** to facilitate **training, internships, and campus recruitment opportunities**.

The meeting concluded with a **vote of thanks by the IIC Convener**, thanking the Principal and committee members for their valuable suggestions and active participation.

ACTION TAKEN REPORT (ATR)

Reference: Minutes of the Third IIC Meeting held on 08-01-2026

The following actions were taken based on the decisions made during the **Third Institute Industry Cell (IIC) Meeting** conducted on **08th January 2026** under the chairmanship of **Dr. S. Ramesh Reddy, Principal**.

S.No	Decision Taken in IIC Meeting	Action Taken
1	Review of industrial visits conducted by various departments	Departments submitted reports of the industrial visits conducted during the academic year and additional visits were planned to reputed industries for further exposure of students.
2	Guest lectures conducted by industry experts were appreciated	Departments were encouraged to continue organizing guest lectures and expert talks by industry professionals on emerging technologies and industry practices.
3	Organize skill development programs for final year students	Skill development and technical training programs were initiated for final year students to enhance their technical competencies and employability skills.
4	Strengthen industry connections for placements	The Training & Placement Cell initiated efforts to strengthen industry connections and collaborate with companies for internships, training programs, and placement opportunities for students.

The above actions were implemented to **enhance Industry–Institute interaction, improve students' practical exposure, and strengthen career opportunities through industry collaboration.**

The **IIC committee will continue to monitor these initiatives and ensure effective implementation of industry-oriented activities for the benefit of students and the institution.**
